

THANK YOU

TOWN OF PALM BEACH UNITED WAY
16TH ANNUAL

Turkey Trot

Dear Turkey Trot Family,

We are truly touched by your support of the 16th Annual Town of Palm Beach United Way Turkey Trot. As co-chairs of this cherished event, we want to express our heartfelt appreciation and excitement as we continue this unique Thanksgiving tradition.

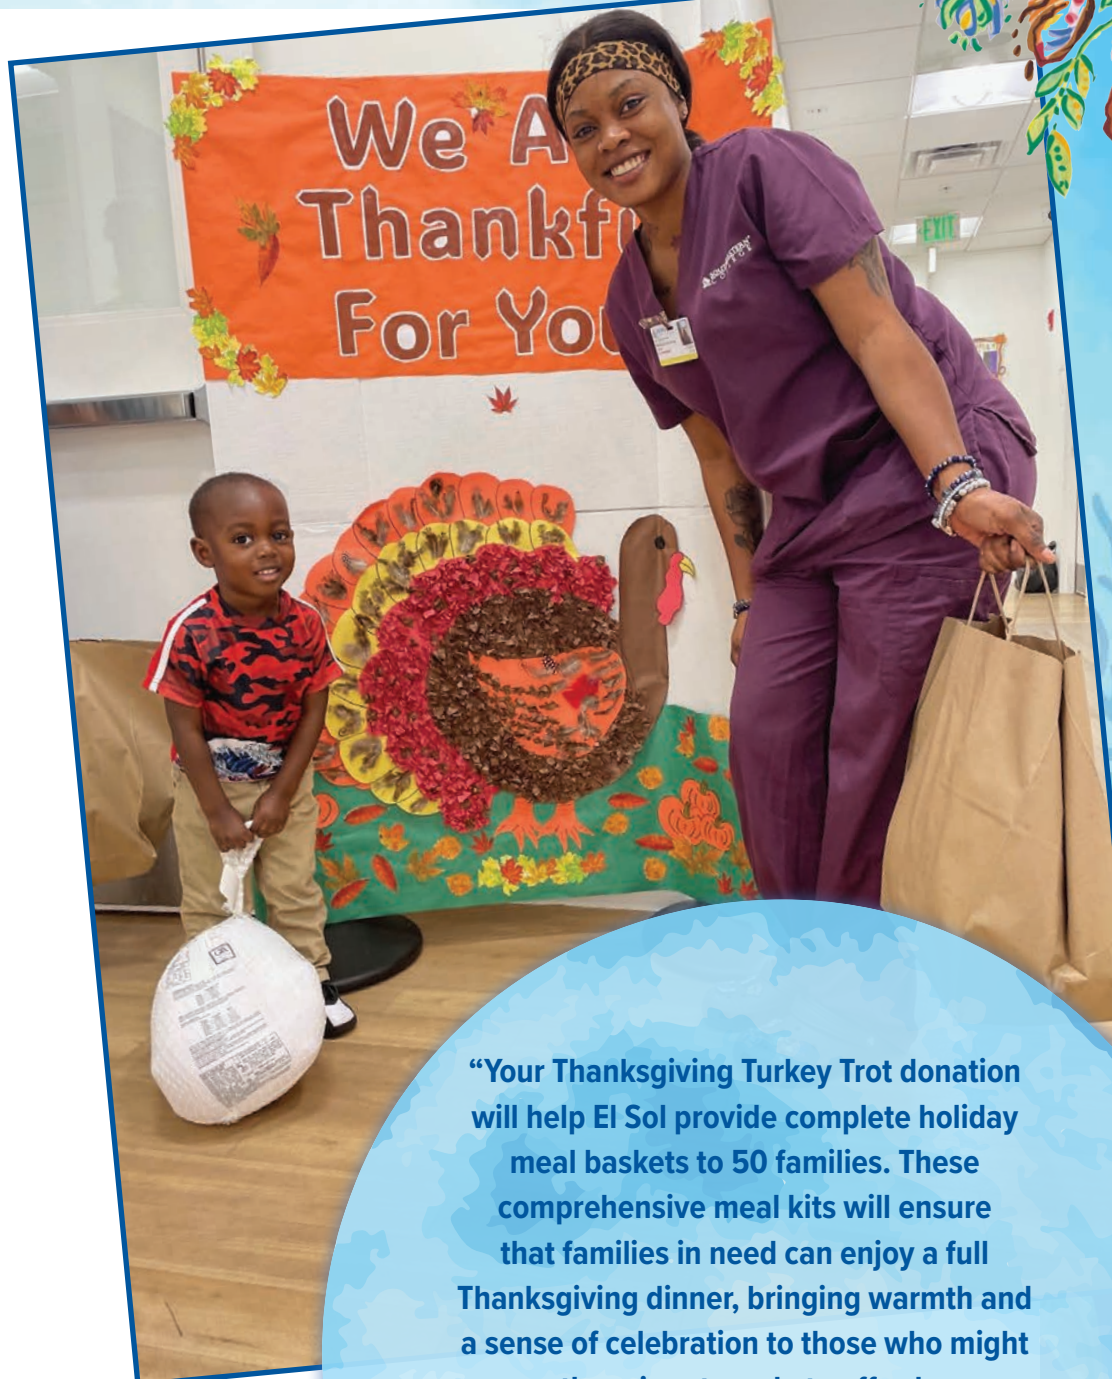

For us, Thanksgiving represents values such as family, community, gratitude, and giving back. The Trot embodies these principles, bringing together friends and neighbors from our communities while making a meaningful difference in the lives of underprivileged children and adults in Palm Beach County.

It is your registrations and generous donations that empower the Town of Palm Beach United Way to provide grants to local nonprofit agencies in our community. These grants, in turn, provide thousands of people in need with the opportunity to enjoy a Thanksgiving meal. **This year, thanks to your support, we were able to provide meals to more than 5,500 individuals.**

We want to extend our deepest gratitude once again for helping us bring comfort, hope, and joy to our less fortunate neighbors. **Your kindness and generosity are what make this event so special and impactful.**

With blessings,

Francesca and William Finck
Gabrielle and Scott Fricker
Turkey Trot Co-Chairs

“Your Thanksgiving Turkey Trot donation will help El Sol provide complete holiday meal baskets to 50 families. These comprehensive meal kits will ensure that families in need can enjoy a full Thanksgiving dinner, bringing warmth and a sense of celebration to those who might otherwise struggle to afford a special holiday meal.”

“The Turkey Trot funds will be used to purchase and provide hot Thanksgiving meals with sides and dessert for 120 local seniors from underserved communities who do not have family in the area and are alone for the holiday. Volunteers and board members serve our guests and mingle with them throughout the event to create a warm sense of community.”

– YMCA of the Palm Beaches

“The generous funding from the Town of Palm Beach United Way Turkey Trot will help us purchase Kosher products for our Thanksgiving food bags. The rising food costs over the last two years have significantly increased the already high cost of Kosher food. At the same time, we have seen a rapid increase in the number of clients – especially families with children and vulnerable seniors – seeking our food insecurity services.”
