Form 990, Part I, Line 1, Description of Organization Mission:

County Significant Information: Caridad Center relies exclusively on volunteer healthcare professionals to achieve our Mission and provide Primary and Specialty Care to our patients. These volunteers represent a significant value to the Center and the community and need to be scheduled and managed, as would paid staff. We believe any calculation of Program Service Expense should include the value of these volunteers (\$8,833,098 in FY 9/30/2022). Donated dental services are valued at the price per procedure as determined by the American Dental Association. Donated vision services are valued at the price per procedure at stated Medicaid rates. Donated medical and other services are valued at the price per hour as determined by the Florida Department of Health. Note: This value is included in our Annual Independent Audit Report (available upon request), but not in our Form 990.

Form 990, Part III, Line 1, Description of Organization Mission:

Beach County in FY 2021/2022. Though the number of volunteers continues to be lower than pre-pandemic levels, the needs of the Community continue being met at a high level through the efforts of our volunteers, our dedicated and flexible staff, and through close partnerships with other community social service agencies and state and local government entities.

program services continued to be a high-need area, with more than 2,956 client visits. Caridad Center provided over 27,000 services including Covid-19 and other health education, prevention education, screening, chronic disease management, and case management. Caridad Center continued its partnership with other agencies to facilitate the administration of vaccinations to the Palm Beach County community. The Dental Clinic provided 2,909 patients with basic services and specialty care services, including Endodontics and Periodontics. In FY 2021/2022, volunteer doctors, dentists, and other allied health professionals provided nearly \$9 Million in free services and potentially saved Palm Beach County taxpayers over \$23 Million by eliminating uncompensated ER care. Because of the continuing impact of the pandemic, the demand for Caridad Center's Programs and Services grew substantially in FY 2021/2022, and the impact to Palm Beach County and its residents was very significant, at a time when the community needed our services most. All Caridad Center services were provided to Palm Beach County residents at no cost to them.
