Some of our services target providers through increased collaboration and communication, such as culturally appropriate trainings, medical interpreter training, networking meetings for identified needs, the Glades Area Resource Guide, Glades Community Updates, a weekly email communication, web-based community calendar and advocacy, while other services benefit residents directly, through our bilingual Community Resource Educators, who assist residents, with limited English, low literacy, and limited or no access to computers in receiving services. Glades Initiative expects to increase access to services and information, reduce the barriers to health and human services, impact more effective service provision, and increase services to residents, resulting in a healthier more productive community. For more detailed program information see attached Schedule O.

Other: Program Services Accomplishments 2022-23: Our programs at The Glades
Initiative revolve around increasing access to health and human services by removing
the barriers that both residents and providers encounter within the system of
care. We do this through increasing communication, collaboration, and by connecting
residents to services. Our mission is to improve the coordination and effectiveness
of the health and human service in the Glades area of Palm Beach County. Connecting
the Glades : Our Community Resource Educators assisted over 3,850 uninsured and
underserved Glades residents with access to various health and human services.

This past year, even with all the challenges that COVID-19 brought to our service
delivery, we assisted 3,001 of our low income residents with the online application
process for DCF Services such as: Medicaid/Medicare, SNAP (Food Stamps). Most
of the residents served at The Glades Initiative (95%) face barriers receiving
services because of limited English language skills, low literacy levels and
lack of access to computers and internet. We also provided hundreds of residents
with enrollment assistance for Health Care District programs and Kid Care. With

The Glades Initiative staff participated in over 61 outreaches to more than 3,362 of our most vulnerable residents to provide them with information about local services. Food Security: Our strategies involve numerous community partners working collectively to address food security issues in the Glades and develop and implement solutions to these issues.
